

## **PRODUCT SNAPSHOT - Make a bold statement in your kitchen with a red or black fridge**

**2015-09-02**

Add a splash of colour to your kitchen with a refrigerator from Mitsubishi Electric now available in Red or Onyx Black. Use colour to either stand out or blend in with a colour palette. The compact design of the 375/406 litre bottom mount fridge means it is perfect for apartment living. The fridge features an automatic ice maker, convenient vegetable and freezer drawers and adjustable door shelves. A three-way flexible shelf system allows you to flip the lower shelf back creating higher space to store bulky items like birthday cakes and wine casks. All Mitsubishi Electric refrigerators are backed by a five year warranty.

### **About Mitsubishi Electric Australia**

Mitsubishi Electric Australia is a subsidiary of Mitsubishi Electric Asia Pacific and Mitsubishi Electric Corporation (Japan). Mitsubishi Electric is a recognized world leader in the manufacture, marketing and sales of electrical and electronic equipment used in information processing and communications, space development and satellite communications, consumer electronics, industrial technology, energy, transportation and building equipment.

For over 40 years, we have been touching the lives of Australians. We supply traction systems for trains, giant sports stadium screens, and substations that regulate your electricity. Mitsubishi Electric advanced technology is in everything from satellites to smart factory solutions, through to home air conditioning and refrigerators.

**Our world is your world.**
